

SPONSORSHIP AND DONATION OPPORTUNITIES

The Guatemala Healing Hands Foundation is a non-profit organization dedicated to improving the quality and availability of health care in Guatemala through education, surgery, and therapy. Specializing in the treatment of congenital hand conditions and injuries, we aim to reach the Guatemalan population through medical missions led by a team of specialized and skilled surgeons, therapists, and dedicated volunteers.

Since the creation of GHHF in 2004 our teams of dedicated volunteers have successfully:

- Completed multiple procedures on 113 children
- Examined 220 therapy patients
- Fabricated 236 splints
- 1 child brought to New Mexico to receive extensive hand surgery

In addition, over 1100 doctors, therapists, and students have attended our two-day educational conferences.

With this mission, we have the unique opportunity to provide the much needed medical care and education that the country of Guatemala hungers for. With your support, we will be able to reach more children and adults who have no one to turn to for their devastating hand injuries. We will also be able to reach doctors, nurses, and students who crave cutting edge and specialized medical knowledge and expertise.

Please consider joining us as a sponsor in the Guatemala Healing Hands Foundation's annual medical mission. Your contribution is tax deductible and proceeds go to the hands of Guatemala. This is also a valuable opportunity for your company to participate in an international exchange and support a worthy cause that will affect thousands of people. Your company can choose to participate by:

- ❖ **Exhibiting.** Exhibit your company and products at our two-day conference with over 400 people in attendance.
- ❖ **Underwriting event needs.** This includes covering the costs of a portion of the mission.
- ❖ **Making an in-kind donation.** Any product or supply that can be used for surgery, therapy, and/or our two day conference.
- ❖ **Making a monetary donation.** Any amount will help!
- ❖ **Sponsoring a child.** Paying for an individual child's diagnostic tests, surgery, rehabilitation, medicine, and even a toy!
- ❖ **Fundraising.** Participate as a sponsor or make a donation to one of our many fundraising events.

Any way that your company can offer its support will help to cover the expenses of this event, ensuring that GHHF will meet its goals of helping the people of this country one "hand" at a time.

All checks can be made payable to, **The Guatemalan Healing Hands Foundation**, and sent to:
